1. International Clubs League

International Clubs League in rhythmic gymnastics is a two-stage series of competition (beginning in 2024) which is held in order to determine the world's strongest gymnasts among rhythmic gymnastics sports clubs.

International Clubs League consists of two stages:

1. World Clubs Cup;
2. International Open Clubs League.

All competitions in form of Clubs League are carried out on agreement with the Association of Clubs in rhythmic gymnastics.

All participants of Clubs League competitions are awarded points. Points are awarded to:

- each gymnast, individual program;
- the team of group program, duet team, trio team.

1.1. World Clubs Cup

World Clubs Cup in rhythmic gymnastics is an annual competition (beginning in 2024) which is held in order to determine the world's strongest gymnasts among rhythmic gymnastics sports clubs. The club that has prepared the winning gymnast of the competition is awarded the passing Clubs Cup of the International Clubs League with the subsequent engraving of the winner-club name.

The participants (individual, group, duet, trio program) of the World Clubs League are awarded the following points:

Place	**Points**
1 place	3000 points
2 place	2000 points
3 place	1000 points
4-6 places	800 points
7-10 places	600 points
11-20 places	500 points
Participation	300 points

1.2. International Open Clubs League

International Open Clubs League in rhythmic gymnastics is the competition or the series of competitions in form of open competitions among clubs to determine the strongest club gymnasts without no limited area.

The participants (individual, group, duet, trio program) of the International Open Clubs League are awarded the following points:

Place	If 3 to 10 clubs participate in competitions (from 50 participants)	If 10 to 25 clubs participate in competitions (from 150 participants)	If 25 clubs or more than 25 clubs participate in competitions (from 300 participants)
	Points		
1 place	400	500	600
2 place	300	400	500
3 place	200	300	400
4-6 places	150	200	300
7-10 places	100	150	200
11-20 places	75	100	125
Participation	50	75	100

The opportunity to hold the International Open Clubs League in the form of an open competition among clubs that are not limited by the particular territory can be provided for those clubs that previously held the intraclub competitions (Club Championship as part of the Club League) successfully.

2. National Clubs League of the country

National Clubs League (NCL) in rhythmic gymnastics is a three-stage series of competitions at the national level which is held in order to determine the strongest gymnasts among rhythmic gymnastics sports clubs in the country.
The winner of the NCL is determined by the total number of sports points gained at all Club League competitions in the country during the sports season and gets the opportunity to qualify for International Club League in rhythmic gymnastics at the expense of the Association.
The strongest 30 gymnasts of the country determined by the number of sports points get the opportunity to participate in the International Club League in rhythmic gymnastics.

All competitions in form of Clubs League are carried out on agreement with the Association of Clubs in rhythmic gymnastics.

NCL consists of three stages:

1. Clubs Championship of the country;
2. Team Clubs League of the country;
3. Clubs Cup of the country.

All participants of Clubs League competitions are awarded points. Points are awarded to:

- each gymnast, individual program;
- the team of group program, duet team, trio team.

2.1. The first stage of the National Clubs League. Clubs Championship of the country

Clubs Championship of the country in rhythmic gymnastics is an annual competition - the first stage of the National Clubs League in rhythmic gymnastics.

The participants (individual, group, duet, trio program) of the Club Championship of the country of the NCL are awarded the following points
