1. International Clubs League

International Clubs League in rhythmic gymnastics is a two-stage series of competition (beginning in 2024) which is held to determine the world's strongest gymnasts among rhythmic gymnastics sports clubs.
The condition for holding competitions within the International Clubs League is the participation of gymnasts from at least 5 countries.

International Clubs League consists of stages:

1. Junior or/and Senior World Clubs Championships;
2. World Clubs Grand-Prix;
3. World Clubs Cup;
4. International Lesgaft Cup;
5. International Open Clubs League;
6. International virtual Clubs League.

All competitions in form of Clubs League are carried out on agreement with the Association of Clubs in rhythmic gymnastics.

All participants of Clubs League competitions are awarded points. Points are awarded to:

- each gymnast, individual program;
- the team of group program, duet team, trio team.

1.1. Junior or/and Senior World Clubs Championships

Junior or/and Senior World Clubs Championships in rhythmic gymnastics is an annual competition to determine the strongest gymnasts in the world among rhythmic gymnastics sports clubs. It is the first stage of the International Club League. The strongest 30 gymnasts in the country based on the amount of sports points received within the National Clubs League get the opportunity to participate in Junior and Senior World Clubs Championships of the International Clubs League in rhythmic gymnastics.

The participants (individual, group, duet, trio program) of the Junior and Senior World Clubs Championships are awarded the following points:

Place	**Points**
1 place	5000 points
2 place	4000 points
3 place	3000 points
4-6 places	2000 points
7-10 places	1000 points
11-20 places	800 points
Participation	600 points

1.2. World Clubs Grand-Prix

World Clubs Grand-Prix in rhythmic rymnastics is an annual competition to determine the strongest gymnasts in the world among rhythmic gymnastics sports clubs. It is the second stage of the International Club League.
The strongest 50 gymnasts in the country, based on the amount of sports points received within the National Clubs League, get the opportunity to participate in the World Clubs Grand-Prix of the International Clubs League in rhythmic gymnastics.

The participants (individual, group, duet, trio program) of the World Clubs Grand-Prix are awarded the following points:

Place	**Points**
1 place	5000 points
2 place	4000 points
3 place	3000 points
4-6 places	2000 points
7-10 places	1000 points
11-20 places	800 points
Participation	600 points

1.3. World Clubs Cup

World Clubs Cup in rhythmic gymnastics is an annual competition (since 2024) which is held in order to determine the world's strongest gymnasts among rhythmic gymnastics sports clubs. The club that has prepared the winning gymnast of the competition is awarded the passing Clubs Cup of the International Clubs League with the subsequent engraving of the winner-club name.

The strongest 30 gymnasts in the country based on the amount of sports points received within the National Clubs League get the opportunity to participate in the World Clubs Cup of the International Clubs League in rhythmic gymnastics.

The participants (individual, group, duet, trio program) of the World Clubs Cup are awarded the following points:

Place	**Points**
1 place	5000 points
2 place	4000 points
3 place	3000 points
4-6 places	2000 points
7-10 places	1000 points
11-20 places	800 points
Participation	600 points

1.4. International Lesgaft Cup

International Lesgaft Cup is an annual competition to determine the strongest gymnasts in the world among rhythmic gymnastics sports clubs. It is the third stage of the International Clubs League. The strongest 50 gymnasts in the country based on the amount of sports points received within the National Clubs League get the opportunity to participate in the World Clubs Grand Prix of the International Clubs League in rhythmic gymnastics.

The participants (individual, group, duet, trio program) of the International Lesgaft Cup are awarded the following points:

Place	**Points**
1 place	5000 points
2 place	4000 points
3 place	3000 points
4-6 places	2000 points
7-10 places	1000 points
11-20 places	800 points
Participation	600 points

1.5. International Open Clubs League

International Open Clubs League in rhythmic gymnastics is the competition or the series of competitions in form of open competitions among clubs to determine the strongest club gymnasts without no limited area.

The participants (individual, group, duet, trio program) of the International Open Clubs League are awarded the following points:

2. National Clubs League of the country

National Clubs League (NCL) in rhythmic gymnastics is a three-stage series of competitions at the national level which is held in order to determine the strongest gymnasts among rhythmic gymnastics sports clubs in the country.
The winner of the NCL is determined by the total number of sports points gained at all Club League competitions in the country during the sports season and gets the opportunity to qualify for International Club League in rhythmic gymnastics at the expense of the Association.
The strongest 30 gymnasts of the country determined by the number of sports points get the opportunity to participate in the World Clubs Cup of the International Clubs League in rhythmic gymnastics.

All competitions in form of Clubs League are carried out on agreement with the Association of Clubs in rhythmic gymnastics.

NCL consists of three stages:
1. Clubs Championship of the country;
2. Team Clubs League of the country;
3. Clubs Cup of the country.

All participants of Clubs League competitions are awarded points. Points are awarded to:
- each gymnast, individual program;
- the team of group program, duet team, trio team.
